Conditions & Declaration (See also LASA ByLaws Rule 5)

1. Records may only be made in Swim England competitions licensed at levels 1-4, the ISL or any equivalent competition, Aquatics GB and WA sanctioned international competitions in and outside of the United Kingdom.
2. The first swimmer in a relay event may claim a record over the distance of that leg provided the time is recorded electronically at an event described in point 1 above. Such performance shall be nullified by the disqualification of the team.
3. All records will be recognised for open/male and female swimmers, for long and short course, for open and junior age classification. The open classification will have no age limits; in the junior classification, the swimmer must be under sixteen (16) years of age on the day of the swim.
4. This County Records Claim form (online or otherwise) should be emailed to the Records Officer at records@leicestershireasa.org and must be received within twenty-eight (28) calendar days of the swim taking place.
5. All records, subject to all rules being met, shall be ratified during an Executive meeting, and the decision of the Executive meeting shall be final.

I confirm the above named swimmer:

1. Was, at the time of the swim, a member of Swim England and a member of a LASA Affiliated base Club.
2. Completed the swim in the name of an affiliated club, or a team encompassing the counties of Leicestershire and or Rutland, or a team competing in the International Swimming League (ISL) or any equivalent competition, or their nationalized country
