Additional Awards:

LASACAT Awards:

The LASACATS are presented to the top 10 swimmers in the following age groups: 10,11 & 12 for Open/Male & Female. Awards will be presented according to World Aquatics points accrued from heat swims within the following event categories:

Best 50m Event

Best 100m Event

Best 200m Form Event (Backstroke, Breaststroke or Butterfly)

Best Distance Freestyle Event (200m, 400m, 800m or 1500m)

Best IM Event (100m, 200m or 400m)

Swimmers may compete in as many events as they wish. Overall performance points will be calculated from a combination of Best Sprint, Best 100m, Best Form, Best Distance and Best Medley. Points are not accumulative; the greatest number of points achieved for one swim in each category will be taken into account.

Transgender & Non-Binary Competition Policy:

As of 1st September 2023 Swim England and their Regions, Counties, Clubs and Affiliated Organisations have implemented this new policy. Swim England's updated transgender & non-binary competition policy has inclusion and fairness at its very heart.

In order for all aquatic disciplines to be enjoyed as a sport, there must be inclusive opportunities for transgender participants to compete. However, it is widely recognised that

fairness of competition must be protected and Swim England believes the creation of Open and Female categories is the best way to achieve this.

The categories are designated as:

Female: The Female category is for birth sex females in accordance with Swim England's Transgender & Non-Binary Competition Policy. By entering the Female category, a swimmer confirms that their birth sex is female. In this Competition entry package the Female category is referred to as Girls.

Open/Male: Athletes with a birth sex of Male, Trans or Non-Binary Competitors and any Competitor not eligible for the Female category. It may be that the software running the Competition may not have been updated in time to cater for these changes and may only refer to Boys.

Entry Fees:

£8.00 per event for all 50m/100m/200m/400m Events.
£11.00 per event for 800m/1500m events.

Entry Times:

All entry times must be achieved from 1st January 2023 until the Closing Date which is Midnight on 22nd December 2023 and must have been achieved at a Licensed Event at Level 1,2,3 or 4 and appear on the Swim England Rankings database. Entry Times for each age group and gender can be found on the LASA website and/or a Club Coach. It should be noted that there are separate entry times for swimmers aged 10 at the 31st December but all awards are for the joint age group 10/11 years except for the LASACAT awards.

Swimmer details and entry times must be downloaded online from the Swim England Database using the Entry Manager Programme supplied by LASA. All entries must be made through a swimmer's recognised base club. Swimmers who are members of the City of Leicester SC cannot enter under the name of that club.

Should the Meet be oversubscribed the Promoter reserves the right to reject the slowest competitors considering the age groups and overall length of each session. The entry programme automatically selects the swimmers best time which may be converted. Times that are outside the published entry times will automatically be rejected.

Disability Entry Times:

Swimmers with a registered British Swimming Classification, or on the official waiting list (enter as Awaiting Classification), achieving the Disability Entry Times MUST submit entries on the Official Disability Entry Form which is in paper format to include details of their classification and a copy of the Swim England classification must be sent with the Disability Entry Form.
