Dear LASA Official

Firstly, apologies for not communicating before now regarding the 2024 County Age Groups & Championships. As you are probably aware from information sent to Clubs, there has been some uncertainty regarding the availability of Braunstone Leisure Centre where all weekends were due to take place. Today, it has been confirmed that Braunstone is not available and therefore all 3 weekends have been transferred to Hinckley.

You are all aware of how important it is to have sufficient Officials, especially as the Championships are licensed and everyone who volunteers needs to be a licensed official. I know that Clubs have been very active during the year in training more Officials and it will be good to see new faces on poolside during the Championships as well as our “regulars”!

It should be noted that there are no Friday evening sessions in 2024 which means there are now 12 sessions over the three weekends.

All Licensed Officials attending can claim travel expenses and the mileage rate is 45 pence per mile. Refreshments will be provided for any Officials attending both Galas on each day. Therefore, when responding please can you indicate any dietary requirements, if appropriate. Tea & Coffee will be provided for all sessions.

There will be an opportunity for Trainee Officials to be provided with poolside experience during the Championships. If you are aware of any Trainees who would benefit from this opportunity, please get them to complete the form clearly highlighting that they are a trainee and I will allocate them to an appropriate role. If you are looking to get some poolside experience for a higher qualification this can be included on the return slip and I will try and provide this during the Championships. Any opportunity for poolside experience may be restricted by the number of personnel on poolside.

Please could you complete the slip at the end of this request and return it to me as soon as possible. This can be done by email or post. Alternatively, call me on 01455 272629 or 07793 470487.

If you are unable to reply until close to any weekend and you are then available, please call me right up to the date of the galas as we always need late replacements. I will confirm the sessions and jobs allocated as soon as I can & the lists will also be posted onto the website [www.leicestershireasa.org](http://www.leicestershireasa.org). where you will also find full information regarding the Championships.

If you are aware of any officials at your club who may not receive a copy of this letter, please could you pass one on to them. Alternatively, this communication can be found on the LASA website.

Many Thanks

Sue Wainscot
